Beachcomber

The leading hotel brand for the discerning holidaymaker in Mauritius

The Beachcomber journey begins the moment our guests choose their resort and lives on long after their stay. Beachcomber's resorts and hotels are situated on the most beautiful beaches of the island and are all symbolic of the Mauritian way of life.

Each resort defines 'getaway' in its own unique way, transporting guests into a carefree state of mind, giving them time to reset and make lifelong memories.

Over 70 years ago, the hotel group took the first steps on its journey as a pioneer of tourism and hospitality in Mauritius. It has since created eight spectacular holiday resorts on the island.

With exclusive representation in the local market, Beachcomber Tours South Africa brings this resplendent family of Beachcomber resorts to the South African public, placing island paradises within easy reach.

Why our guests love Beachcomber

Our promise is to cultivate the art of beauty in all its dimensions

Taste the Art of Beautiful

Our cuisine is inspired by a blend of local influences, elevated to new heights by a superb team of creative chefs. Guests can taste the Art of Beautiful at our eight resorts' 32 restaurants, each in a unique location and offering various menus and cuisines. With different restaurant atmospheres and settings, this 'dine around' culinary experience is an enticing option.

Guests at the 5-star resorts can dine at any of the 4-star resorts at no extra charge; guests at the 4-star hotels are welcome to experience high-end dining at our 5-star resorts for a nominal supplement. Dining at Royal Palm Beachcomber Luxury attracts an additional charge for residents of all other Beachcomber resorts.

Be active in beautiful locations

Our multiple sports facilities, on water and land, suit all ages and levels of fitness. The idyllic settings of our resorts, along the shores of a sparkling ocean, are an irresistible invitation to partake in these activities. Our recreation centres are staffed by highly qualified artisans.

Discover the art of wellness and beauty

Our spa facilities take a holistic approach to mind and body well-being, offering personalised treatment programmes to achieve both inner and outer beauty, and calm. We have perfected our own product range, B(e) Beautiful, with ingredients drawn from nature.

Experience the art of living beautifully

We create the perfect stay — one where beautiful surroundings are enhanced by the care and attention of our artisans. Our 4,000 employees demonstrate their passion for people daily. Many of them are second-generation staff members whose values of hospitality have been passed down from generation to generation.

Be beautifully responsible

Our responsibility for the gift that nature has given us involves protecting this heritage and passing it on to future generations. We practise sustainable development that encompasses both environmental and social issues.

Guess what?

At Beachcomber resorts you can wakeboard and waterski for free & enjoy a list of other water sports as long as your arm!

We believe the beauty of a place inspires the beauty of the heart, and it's our vocation to cultivate this in every experience. At Beachcomber, we create memorable moments that leave our guests yearning to return.

'Be' invites guests to immerse themselves in a world of unforgettable experiences. From savouring exotic tropical flavours and witnessing breathtaking sunsets over the ocean, to unwinding at the pool and connecting with artisans. Every moment at Beachcomber offers an opportunity to relax, rejuvenate, and embrace happiness. Our promise: we craft stays in Mauritius that celebrate sharing, joy, and the stunning beauty of our resorts' unique locations, all the while revelling in the warm hospitality of our artisans.

To avoid disappointment, we urge you to ensure inclusions, facilities, food and beverage options, as well as the location of any resorts you are considering meet your expectations. Mauritius does not have an official resort grading system and while some hotels may rate themselves as a 4-star or a 5-star property, their facilities may not match universally accepted standards. Beachcomber Resorts & Hotels is committed to meeting international criteria in terms of facilities, quality, and service when it comes to grading each of our 4- and 5-star resorts.

West is best

The most equable climate, the most protected beaches and picture-perfect sunsets characterise the west coast of Mauritius. Seven of Beachcomber's eight properties are located along this coast, with the eighth resort occupying a prime location in Blue Bay.

Why Mauritius

- With regular flights from South Africa and no visas required for SA citizens, this island paradise is within easy reach.
- Mauritius enjoys temperate weather conditions most of the year.
- The coast is protected by a coral reef ensuring calm sea conditions.
- Holiday packages at 4- and 5-star resorts offer excellent value for money, particularly during the off-peak season from May to September.

Beautifully responsible

Nature as our most vital asset

As a proud Mauritian company and pioneer of the island's hospitality industry, we deeply cherish the gift nature has bestowed upon us – and we embrace this great custodial responsibility. We are steadfast in our mission to preserve and protect our island, her wildlife, the flora, and the fauna for future generations to delight in and enjoy.

Our commitment is to champion sustainable practices that safeguard the environment, and uplift the communities that surround our hotels. Every measure we implement is crafted to contribute to a cleaner, greener, and safer island and a healthier planet. We warmly invite you to join us on this meaningful journey. **Be beautifully responsible with Beachcomber.**

At the heart of Beachcomber's sustainability journey is our Environmental and Social Charter, which outlines the 52 Commitments undertaken by all our resorts to achieve measurable progress towards our objectives. These commitments span diverse areas, including:

- Reducing food waste
- Providing safe habitats for bees in our resorts' gardens
- Prioritising locally grown fruit
- Replacing single-use plastic bottles with eco-friendly alternatives
- Investing in desalination plants to safeguard fresh water sources
- Installing solar energy systems

Our unwavering dedication to sustainable hotel operations and development has earned global recognition: after five years of vigilance and ongoing detailed auditing, all eight of our hotels have achieved **EarthCheck Gold certification**, making Beachcomber the first hotel group in Mauritius to attain this prestigious milestone.

In addition to environmental stewardship, we are passionately committed to uplifting local communities. Launched in 2006, **Beautiful Localhands** is a Beachcomber initiative that empowers local artisans – many of whom are vulnerable women – by providing participants with the opportunity to hone their skills and sell their creations to tourists. Guests can discover and buy these beautiful handcrafted items at each resort's Beachcomber Boutique, safe in the knowledge that every purchase is deeply appreciated by a local artisan and their family.

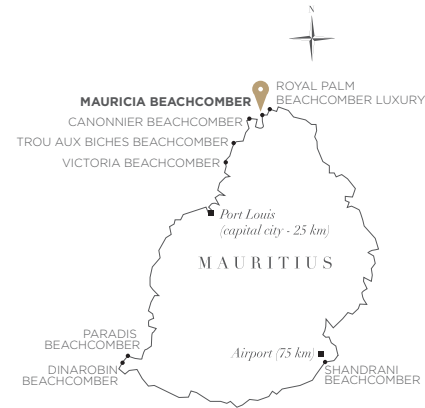

Walking the talk: Beachcomber is beautifully responsible, holding Gold EarthCheck accreditation at all our resorts. Tick!

In addition to complimentary lunch daily (for those booking half board) and a bottle of bubbles, a magical Beachcomber Experience awaits for guests who book four nights or longer. Happy couples or families can select one unique experience at their resort - it's just another way of us saying congratulations and further enriching your stay. Valued at up to R5,300 per couple.

Honeymoon experiences by Beachcomber

Celebrate new adventures together with a couples' spa treatment, sunset boat cruise, bike tour, scuba diving lesson, or more! Beachcomber Experiences are selected from a catalogue at the resort and differ from hotel to hotel.

Familymoon experiences by Beachcomber

Capture magical Mauritian memories on a family photo shoot, book a golf or tennis lesson for the family, or don an apron for a cooking class. But the ultimate experience is a dinner on the beach at sunset. Again, experiences differ from resort to resort and may be subject to weather conditions and availability.
